

JOIN OUR GRASSROOTS CAMPAIGN TO RECALL MARK SHULL

Our leaders should seek to raise us up, not promote division and encourage violence. Since taking office, Shull has been **censured by all of his fellow commissioners** and **stripped of responsibilities**. Yet Shull continues, recently comparing COVID-19 vaccine requirements to Jim Crow laws.

Now is the time for voters to make sure Mark Shull cannot continue to push his destructive agenda. We deserve a County Commissioner that reflects our values and that we can be proud of.

SHULL'S VALUES: A SHAMEFUL RECORD OF INCITING HATE AND POLITICAL VIOLENCE

SHULL SAYS:

America and Muslims are
"Incompatible", We Must "Fight a War"
or "Capitulate to Islam and Die."

LGBTQIA+ Equality is a
"Political Agenda"

SHULL SAYS:

Immigrants are "Invaders"

Politics are Approaching
"The Shooting Phase"
